C Lazy U Ranch Rekindles Traditional Family Christmas
*Historic Setting Offers Nostalgic Christmas and New Year's Vacation
in Colorado's High Country*

GRANBY, Colo. – C Lazy U Guest Ranch, in the heart of the Rocky Mountain West, features a return to life's simple pleasures during the holidays: sleigh rides, sledding, and Christmas tree decorating with family and friends.

"C Lazy U Guest Ranch is a living portrait of traditional Christmas in America," said Brian Murray, owner of the C Lazy U. "We offer our guests a chance to get back to the basics—elegantly. Our special holiday packages will help guests re-connect with a traditional Christmas and New Year's, with special times and special memories in a special setting."

C Lazy U, one of the few Colorado ranches open in the winter, is celebrating Christmas and the New Year with holiday packages focusing on a traditional Christmas, including activities for both adults and children. Decorate your own tree, bundle up for a horse drawn Champaign sleigh ride, put on a pair of ice skates for a spin around the frozen pond or a friendly game of ice hockey, then retire to the main lodge for Christmas carols and hot chocolate.

Christmas

- Each of the ranch's rustic, elegant suites comes complete with a Christmas tree and decorations. The in-house gourmet chef prepares a complete Christmas dinner where each family is served a turkey to carve and all of the traditional fixings. Christmas carols are sung around a grand piano and crackling fire, while Santa pays a visit on a horse-drawn sleigh.

New Year's Eve

- Boogie into 2006 at a traditional western-swing dance; tighten your scarf for torch lit ice skating or a moonlight cross-country ski tour; and celebrate two midnight countdowns. 2006 marks C Lazy U's 60th anniversary.
