Understanding a Vacation
at the C Lazy U Ranch

Adult Horseback Trail Riding

Our Head Wrangler will greet every adult guest in order to match them with the perfect horse based on skill level, experience and build. No need to sign up for daily trail rides in the summer, as each guest's horse is tacked up every morning and remains that way for the afternoon ride. Choose from a variety of trail ride options: instructional, slow/scenic, walk/trot and lope. Simply meet at the barn at the scheduled times and the wranglers will help you mount up!

Additional Horseback Riding Options:

Horsemanship Classes*: Our classes are offered several times a week. Great for riders of all abilities; riders will improve their balance, feel, and technique. Visit the Outfitter's Cabin to reserve a place on the day (or days) of your choice, and get ready to start building a better relationship with your horse!

Cattle Clinics*: Ride out to the meadow with fellow guests and our wranglers to hone your skills collecting, herding and "cutting" cows in, out and around our pastures.

All Day Ride: The Thursday all day ride is a great adventure for the experienced rider. Guests who sign up for this ride will need to arrive at the Patio House by 8:00am on Thursday morning to prepare a sack lunch, for on the trail, from the myriad of options provided by our chef. You can sign up at the Outfitters Cabin or Barn.

**Sign up for these activities in the Outfitter's Cabin.*

Kids Program - June-August, Christmas, New Year's, and Holiday Weekends

C Lazy U Ranch offers a fully supervised kids program highlighted by exciting activities and enthusiastic counselors. With a plethora of other activities to choose from there is plenty to do as a family should you opt out of putting your children in the program at any time.

Cowpokes (3-5): While those under 6 are just a little too young to ride the trail horses, they have just as much fun in store for them! Cowpokes will do arts & crafts, read stories, splash around in the pool, ride Katie the Pony and spend time discovering the outdoors. We ask that your child is fully potty trained and completely out of diapers for this program. If your child is under 3 or not fully potty trained we ask that you plan to bring a nanny.

Cowpokes are dropped off in the Kid's Corral.

Mustangs (6-12): Kids 6 and older are able to ride the big horses on trail rides in groups of no more than 8 kids. This activity is separate from the adult rides and safety is a top priority. Each group begins with the basics of horsemanship and by mid-week they will all be able to trot and lope. Like the adults, their horses are saddled and ready for every ride.

Mustangs meet behind the Patio House to mount up for rides.

Teens (13-17): While teens also ride twice a day within this program, their group is more independently customized to fit their needs. Other fun activities include: the rodeo, white water rafting and an overnight camp out!

Meet below the barn at the scheduled times to mount up.

Meals: Kids are served lunch and dinner earlier than adults. This popular scheduling ensures that children are not being asked to wait long periods between meals. Kid friendly, healthy options are available and this structure provides the adults a formal dining experience while spending time with their peers.

Orvis Endorsed Fly Fishing

ORVIS The C Lazy U Ranch is an Orvis Endorsed Fly Fishing Lodge that offers a full line of Orvis equipment ready at your convenience. With 2 miles of private water running through the ranch there are fishing opportunities for all levels of anglers. The C Lazy U Ranch offers everything from beginner casting lessons on the fully stocked pond to guided trips on the ranch's private water. Off property, the ranch has access to 2 miles of private water on the Colorado River teaming with wild rainbow and brown trout. All on-ranch fishing, including guided trips, and use of Orvis gear is complimentary. Stop by the Outfitter's Cabin for pricing on our Colorado River trips and to book your Orvis guide!

Trap Shooting

Our trap range features a trap thrower with a wobble that moves from side to side adding an element of difficulty for experienced shooters. Stationary clays can also be set up targets for novice shooters or those interested in rifle shooting. We can also set up for novice shooters or those interested in rifle shooting. Firearms available for use: 12, 20 and 410 gauge guns, single bolt action, .22 rifles as well as kids size .22 rifles.

Minimal cost applies; To sign up, visit the Outfitter's Cabin.

Ropes Course

Sessions are offered twice daily Jun-Aug and Sept-April. Elements of the course include:

- **Tandem Rock Wall:** Designed to be our most basic of the four elements, 2 people can climb at once.
- **Vertical Play Pen:** Our most physically challenging element as every piece is free floating!
- **Leap of Faith:** Our most mentally challenging element: climb a 30 ft pole in a full body harness and then jump off in hopes of catching a trapeze that hangs a few feet away.
- **Zip Line:** Finish off your ropes course session with this thrilling activity or opt to do it by itself.

Low ropes team building activities are also available.

To sign up, visit the Outfitter's Cabin, minimal cost applies.
