Out of state guests usually fly into Denver (DEN), a major hub airport which is serviced by most airlines. It is a 2 ½ hour drive from the airport to the ranch (115 miles). Some guests rent a car and drive; others will hire a car service (a company called "Home James" provides door-to-door service in a private car; other shuttle van services are available). Another option is to fly into Denver a day early, spend the night then take a cab to the train station and go by train to Granby (leaves once per day in the morning; the train often experiences delays in the schedule), where the ranch will pick you up (call Amtrak 1-800-872-7245). Once you are at the ranch, a car should not be needed.
