One of the wonderful things about having your wedding at the C Lazy U is that all weddings have exclusive use of the ranch. In order to provide exclusivity and provide the perfect wedding experience, wedding parties are required to buy out the entire ranch for a minimum of two nights. The wedding party is responsible for guaranteeing the lodging and C Lazy U Ranch structures this into one easy to understand buy out price so you know exactly what your wedding is going to cost.

BUY OUT PRICING INCLUDES

All site fees, standard linens, flatware, glassware, dinnerware, lighting and décor, accommodations on-ranch for the wedding party and all guests, gourmet dining, activities for you and your guests, taxes and resort fees.

Because lodging rates include the cost of all meals, horseback riding and most ranch activities the only other expenses are likely to be: Alcohol, décor and floral, band/DJ, photographer, outside wedding planner, if desired, upgrades to base packages – linens, flatware, glassware, dinnerware, lighting, décor etc.

Note: A 20% service charge will be automatically added to all alcohol and banquet services purchased and served by the Ranch. The service charge will be directly distributed to staff.

Maximum Number of People	Buyout Price Per Night	Two Night Wedding Price
November - April	\$50,500	\$101,000
May - October	\$65,500	\$131,000

Please note that the ranch does not host weddings from the 2nd week of June to the 3rd week of August as this time is reserved for family stays with a 7-night minimum stay.

How much do my guests pay for their lodging, meals and activities outside of the wedding sponsored events? In other words, what is their cost to attend the wedding and have their own room since that is included in the buyout price?

This is entirely up to the wedding party. Some wedding parties choose to host the entire wedding and their guests don't pay for anything. Other wedding parties choose to set a nightly rate for their guests to pay at their expense. If you choose to do this, the ranch recommends the wedding party sets a nightly per person per night rate of \$100 to \$300 for their guests. The wedding party then pays this subsidized portion. The ranch's reservation department can explain all of the inclusions outside of the hosted wedding events such as meals and activities, so this makes sense to your guests.

Guest Nightly Rate Per Person	Number of Guests	Tax & Resort Fee	Total Per Person	Per Night Ranch	Per Night Due from Wedding Party
Example 1 \$300	80	\$75.57	\$375.57	\$65,500.00	\$35,454.40
Example 2 \$250	70	\$62.57	\$312.57	\$65,500.00	\$43,620.10
