LICENSES

Fishing licenses are required in order to participate and are not included in the trip cost.

Fishing licenses are available for purchase in the Activities Yurt.

We recommend purchasing your license the day before your trip (driver's license info required).

WATERS WE FISH

Our fishing expeditions take place on private waters with access to the Fraser River, Willow Creek, Colorado River, and Michigan River. The fishing location will depend on various factors such as water conditions, fish activity, and skill level. Our goal is to take you to the most productive water available on the day of your trip.
