

ORVIS FLY FISHING PROGRAM

The C Lazy U Ranch is one of only five Orvis endorsed lodges in the state of Colorado. Guests of the ranch can enjoy a variety of fishing experiences and all skill levels are welcome. If guests prefer an alternative from our stocked trout pond, C Lazy U offers guided fishing on Willow Creek, and the Upper Colorado River. The location of your fishing adventure will depend on what is fishing the best at that time of year. Guests of the C Lazy U have the opportunity to catch rainbow, brown, and brook trout while wade fishing.

CAN I FISH ON MY OWN?

Guests of C Lazy U are welcome to fish without a guide on our pristine and private stretch of Willow Creek. Guests may check-out a rod and reel as long as it is returned to the Outfitter's Cabin after each use. We have loaded fishing packs that have all the essentials you need to hit the water on your own. These are lent out on a first come, first serve, basis. If you have any questions about where to fish, please find one of our guides so they can point you in the right direction. We ask that guests fishing without a guide respect the guided trips on Willow Creek and allow guests that have booked guided fishing priority on the water.
