THE BENSON HOTEL AND FACULTY CLUB

Long considered the gateway to the Rockies, Aurora has evolved into Colorado's biotech hub and a health and life sciences research center, with the University of Colorado Anschutz Medical Campus and The Benson Hotel and Faculty Club at the epicenter. This hotel not only serves CU Anschutz medical community leaders and influencers but also welcomes locals for events like its classic Thanksgiving dinner, Christmas and New Year's Day brunches, monthly Super Club dinner and even romantic getaway packages that include a top-floor mountain-view suite with a fireplace, a bottle of chilled bubbly and a charcuterie tray upon arrival. Now that's a gift!
