C Lazy U Ranch

Granby, Colorado

There is an authentic dude ranch out west where the Colorado River runs off the Continental Divide and winds its way through mountain valleys. It's a land of green meadows, blue skies, and crisp Colorado air. This is Colorado ranch country and has been for almost a century.

C Lazy U, an all-inclusive, year-round guest ranch in the heart of the Rocky Mountains, offers the best of both worlds: high-class amenities and down-home experiences, with luxurious cabins, gourmet meals, daily trail horseback rides and plenty of outdoor activities to enjoy all year round.

Guests come to the C Lazy U luxury dude ranch for its natural beauty, clean mountain air, recreation, rest, and relaxation. Accommodations are beautiful, spacious luxury cabins that guarantee first-class comfort and solitude during your dude ranch stay.

Wood-fired, farm-inspired, seasonal menus ensure your palate is always presented with the best nature has to offer. Anchored in the tried-and-true fare of the Great American West, guests dine on aged beef, fresh trout, rack of lamb, cheeses, and homemade breads.

Step out of your stirrups and into the full-service Lazy You Spa, located on the banks of Willow Creek. Six luxurious tents comprise one of Colorado's most unique spas, giving you an unparalleled resort experience.

Guests can gaze into the Willow Creek River during treatments, as some of the tents include glass floors.
